ORDER:-

In the reference 1st read above, the Honorary Secretary, Telangana State Aviation Academy (TSAA) has stated that during the period from April to September flying activity in the Academy will be minimum due to adverse weather conditions such as rain and strong winds. Flying will be in full swing during October to March. On 17-12-2012 at 11.15 PM there was a fire accident at hanger No.3 of APAA and all the four airworthy aircrafts gutted in the fire and in turn the flying activities came to stand still. With the Academy reserve funds they acquired one Cessana-172 R aircraft and one Cessana-152 aircraft and also they have taken one Cessana-152 aircraft on lease from Aero Club of India, New Delhi and started flying operations. Concerted efforts are on to get two more aircrafts on lease / purchase in order to do more flying. Due to less number of aircrafts, the number of hours flying is less and intern the income also is less. He has therefore requested the Government to arrange to release assistance of balance amount for the financial year 2014-15.
